EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Frank Cire on May 10, 2006.

The application has been amended as follows:

Claim 20, lines 1-3, delete "A computer-readable memory storing program code of image processing for processing a moving picture having screen-change information, the memory including" and insert -- A computer program encoded on a computer readable medium storing program code containing executable instructions, when executed in a processing system, causes the system to process a moving picture having a scene-change information, comprising: --;

Claim 21, lines 1-3, delete "A computer-readable memory storing program code of image processing for processing a moving picture having screen-change information, the memory including:" and insert -- A computer program encoded on a computer readable medium storing program code containing executable instructions, when executed in a processing system, causes the system to process a moving picture having a scene-change information, comprising:--.

2. Claims 6, 2, 5, 8, 7, 9, 15, 11, 14, 17, 16, 18, 20, 21 are allowed. Which were renumbered as 1-14, respectively.

Art Unit: 2621

3. The following is an examiner's statement of reasons for allowance:

The prior of record does not teach designating means for designating an image that corresponds to a start scene that is the object of a search and the number of scenes from the start scene included in a moving picture; comparison means for comparing a scene-change frame obtained by referring to the scene-change information with the image designated by said designation means scene; extraction means for extracting moving pictures, each of which has scenes of the number of scenes and includes a scene corresponding to the image designated by said designation means, based upon a result of the comparison performed by said comparison means; and output means for combining each of the moving pictures extracted by said scene extraction means into a single moving picture (see figure 2 of the present invention).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tung Vo whose telephone number is 571-272-7340. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mehrdad Dastouri can be reached on 571-272-7418. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
